

ACTIVITY SHEET 2:

Myth or Fact?

Outcome: You will practice critical thinking and public speaking by discussing myths and presenting evidence.

Instructions:

- Read each statement below and decide if it is a **Myth** or a **Fact**.
- Write a brief explanation for each answer using the information discussed in class.

| STATEMENTS | MYTH OR FACT? | EXPLANATION |
|--|---------------|-------------|
| 1. "You need to go to a well-known university to be successful." | | |
| 2. "University isn't for everyone, and that's okay." | | |
| 3. "You must choose the 'right' subject, or you'll be unemployed." | | |
| 4. "There are many paths to getting a degree, including part-time and online courses." | | |
| 5. "Only STEM courses lead to good careers." | | |
| 6. "Apprenticeships can lead to the same level of success as university degrees." | | |
| 7. "You need perfect grades to get into any university." | | |
| 8. "Many successful people graduated from lesser-known universities." | | |
